## Contract Summary

This is a Statewide Contract for a Group Purchasing Organization (GPO) agreement for Pharmaceuticals with Contractor Managed Healthcare Associates (MHA), whose GPO membership includes over 9,000 healthcare facilities such as hospitals and nursing homes.

## Benefits and Cost Savings

Statewide contracts are an easy way to obtain benefits for your organization by leveraging the Commonwealth's buying power, solicitation process, contracting expertise, vendor management and oversight, and the availability of environmentally preferable products.

GPO savings and efficiencies are realized by aggregating purchasing volume and using that leverage to negotiate discounts with manufacturers, distributors and other vendors of health supplies such as pharmaceuticals, biologics, medical/surgical equipment, laboratory supplies, and capital equipment. GPO's actively negotiate contracts with manufacturers on behalf of their members, and/or provide their members access to the purchasing contracts of other GPO's. The GPO supports the Commonwealth by using their contracts to establish the acquisition prices for pharmaceuticals purchased from the Pharmaceutical Prime Vendor on SWC MED47 Pharmaceutical Prime Vendor and successor contracts for Pharmaceuticals.
